

# Do the EDU-DEX test !

Through EDU-DEX, the collective training suppliers provide clients and intermediaries with standardised programme information.

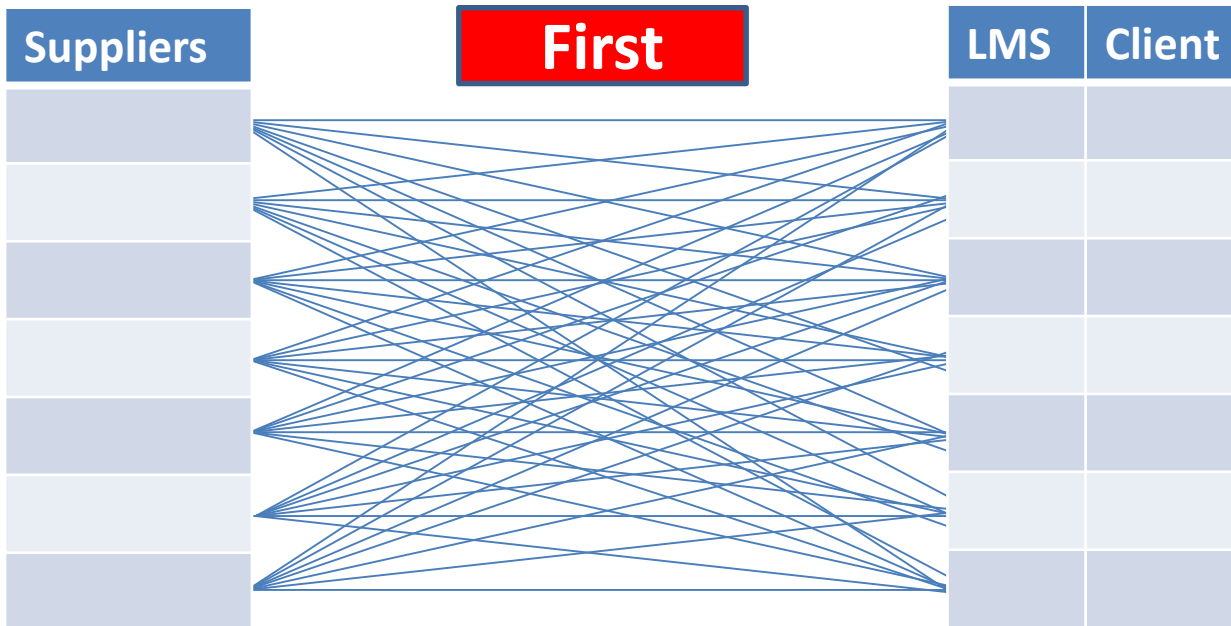

## Why EDU-DEX?

- transparency
- quality
- less costs for all parties

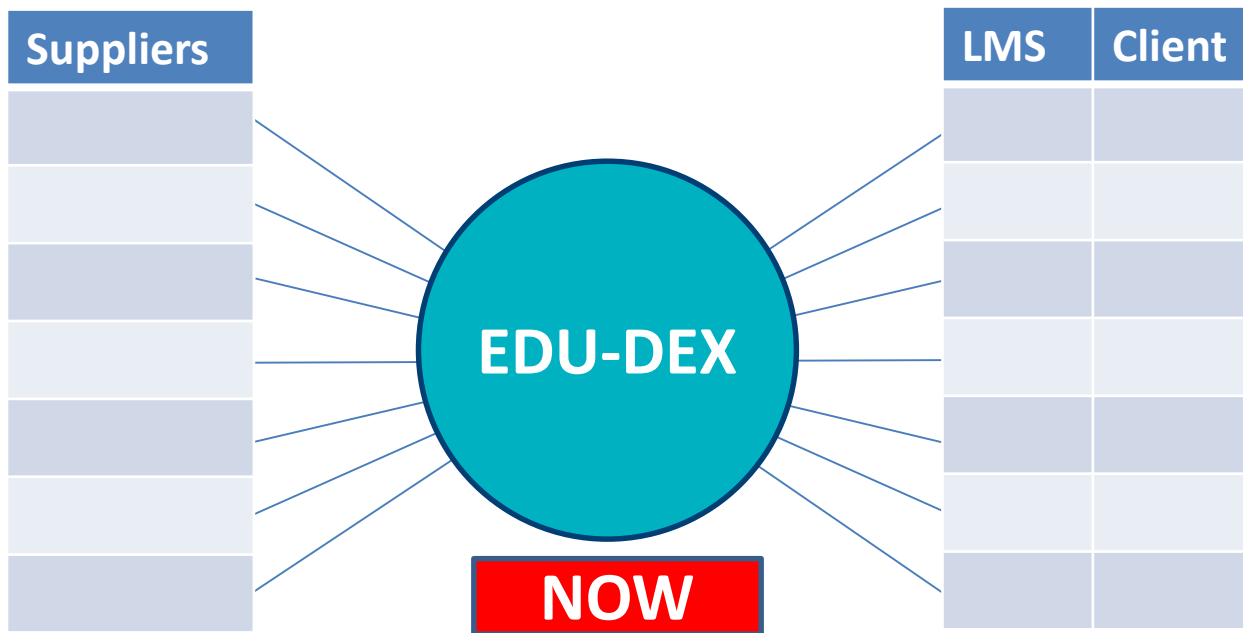

## How?

- one standard
- one address
- daily updates

the route of training information to the client

## First:

- No standard
- 100+ addresses

## Now:

- one standard
- one address
- *daily* updates

## Benefits:

- transparency
- quality
- less costs for all parties
- up-to-date
